# BILL ROEDY WILL DELIVER ACTION WITH INTEGRITY.

Bill Roedy is all about independent leadership, making decisions based on what's right, not donor cash or insider deals. His style: bring people together, work as a team, hold the government and himself accountable for results.

Everyone else in the race has been in power and promised solutions, but they're part of a pay-to-play culture that wastes your tax dollars, undermines progress, and saddles us with overdevelopment, crime, traffic and diminished services.

**Miami Beach deserves better.**
