BILL ROEDY FOR MAYOR PRESS RELEASE

MIAMI BEACH, FL – Sept. 19, 2023 – Bill Roedy, candidate for Mayor of Miami Beach, calls on his opponent, Michael Grieco, to step down from the mayoral race after leaving his bag with a loaded handgun in a public park. Given his latest lack of judgment, Grieco needs to be honest with the residents of Miami Beach. He must explain the mysterious circumstances surrounding this incident, and a comprehensive police investigation should be conducted since it occurred over a month ago.

“Grieco’s egregious violation of the public’s trust and safety proves that he is not suitable to represent our city and should be disqualified from public office,” said Bill Roedy, candidate for Mayor of Miami Beach.

“You can’t claim to protect the public if you can’t protect your own loaded gun. Grieco’s glaring lack of judgment, character, and disregard for public safety fits a pattern of unethical behavior,” said Roedy. “These are not the standards that the residents of Miami Beach expect and deserve.”

“This irresponsible and dangerous behavior is just one of the many reasons why Miami Beach urgently needs transparency and integrity from its elected officials,” added Roedy.

As a former combat veteran, Roedy knows the danger of loaded guns. Public safety is a top priority for Roedy’s vision of Miami Beach.
